Acesta este un exemplu de scroll. Adică este un fel de „pergament", nu e ca atunci când faci "scrollin' for a bit of trollin'".

NU sunt Psalmi! Să se înțeleagă clar, Psalmii se găsesc doar în Biblie!

DAR... cred că AU IMPORTANȚĂ!

Pentru că nu sunt ale mele...

SUNT ALE NOASTRE!

As such, any scroll you find is licensed under CC BY 4.0 .

FĂRĂ "Special stipulations", here you make it as you cake it!

And because caking a bake takes many other...

„...ingrediente..."

„Ești responsabil" "For your mistakes".

Not to ME! No... I... i ain't a danger to no one...

BUT HIM? ... Well, I'm not responsible for what He'll do...

I am responsible for my own mistakes.

I've decided that from now on, I am.

„Each scroll is better understood (and easier to find) if you READ **MONO CHROME** FIRST!„

You kinda have to... The code... is... I mean... yeah...

No, you don't!

This scroll is just an extra 'tip'!

„In how things are...„

„...handled."

"Heh."

And for legal reasons, here's the legababble in the common tongue:

This is a spiritual contract! Let's call it a...

Trust-based system.
